### And Finally ...

Please keep Mr Marsh in your thoughts. He is definitely on the road to recovery, but would appreciate your prayers. We hope that he will be home from hospital by the weekend. Sending a big smile from us all, Mr Marsh; just in case you are reading this!

Some fabulous Art and design from Y5's outside school projects on their Science projects.

### WHAT'S NEW?

Children are fully embroiled in new areas of the curriculum by now, ranging from Charles Dickens to Tolstoy; from fractions to shape; from The Mayan Civilisation to Chinese New Year. Please talk to them about their learning and look forward to the update next week of their year group termly overviews.

A uniform inspection last Friday was positive– thank you. You have some very smart little children and some who are working harder to be smart, too. It is an important life skill to respect the need for rules.

A lunch box inspection completed by the School Council yesterday revealed some interesting anomalies and some fantastic news in some classes. More details to follow next week. Please parents, monitor your child's sugar intake before it becomes a problem. We will be in touch with persistent reoffenders– we have agreed, last term, with consultation opportunities given to yourselves, that chocolate bars are for outside school unless it is a special occasion. Please adhere to this reasonable healthy expectation unless your child has extenuating circumstances which you have shared with us. Thank you in anticipation.

### A prayer for today

We pray for an end to the Australian bushfires.

... Y6 focus on Kensuke's Kingdom

Y5's display in the making for their work on "The lion, the witch and the wardrobe"

### Reminders

New menus will begin in our school kitchen, on Monday. Please look out for them on our website.

Music fees are now due for all children who participate in lessons of any sort.

The school car park is for use by staff and those who use the out of hrs wraparound service, before 8.40am and after 3.40pm only. Please don't abuse this system. Everyone is busy or running late sometimes but we need to be consistent and fair.

Please ring in to school if your child is absent from school at all. This prevents it becoming a safeguarding concern for the office staff. Thank you in anticipation.

### PTA News

Myself and senior PTA members met, last night to discuss the playground equipment. After a consultation with our School Council, we plan to put the process in motion and I will forward plans and drawings out with the next newsletter for you all to share.

Well done to all who work so hard to support the PTA-children, you are in for a treat! (Don't forget to say Thank you!)

### What's new?

Mrs Heenan has already left for her maternity leave– as advised by doctors. She is well and excited about the arrival of Little Miss or Master Heenan, as are we. Mrs Polito has stepped seamlessly into her shoes. We welcome her and acknowledge her great experience in teaching at KS2. We also welcome back Mrs Harbord as she supports booster classes in Y5 and Y6.

Our Confirmation meeting is now in place, with an opportunity to listen to John Owen, our online safety expert, after the Confirmation talk also. We look forward to a well supported meeting from Y6 parents.

Well done Cooks—Our Winter Blues menu was a great success.

### Other news

We are currently investigating plans to rebuild our school entrance; increasing access to the office staff and generally making the entrance a little more 21st Century. We hope you like the outcomes, when they happen.

We are also looking into improving the fencing around the playground. Again, we will keep you informed.
