Year R      Date: 1 <sup>st</sup> June 2020			
Day	Maths	English	Other area
Mon	<p>Mental Maths: count in 10's to 100, repeat</p> <p>Look at the halving PowerPoint. Find the other of the pizza, chocolate, melon, ice cream and pineapple. Have a go at cutting some objects in halve. For example, you could cut a banana, sandwich, pizza, cucumber. Be careful, remember, the knife is sharp, ask your adult to help you. Take a photo of your work.</p>	<p>Read your phonic flash cards and your tricky words in your Home Learning pack.</p> <p>Read the Three Little Pigs Story on the PowerPoint. Say the story back your adult. Create a story map in your exercise book. For example, you could draw three pigs waving goodbye to their mommy and write "Three pigs" or you could write a sentence. Then you could draw a pig making a house from straw and you could write "Straw" or you could write a caption. Then you could draw a pig making a house from sticks and you could write "Sticks". Try to draw three pictures with labels, captions of sentences.</p>	<p>Watch Pentecost Lego. See the link below. The Holy Spirit rested on the disciples in the form of flames. The disciples could all speak in different languages. Draw 11 disciples and draw some flames of fire on their shoulders to show the Holy spirit.</p>

Tues	Look at having/sharing PowerPoint. Have a go at sharing the fruit between the two parrots. Find your two favourite teddies/figures. Count out four grapes/apples/strawberries. Share them fairly between your two toys. Find out how many they will get each. Repeat, counting, six, eight and ten objects. Take a photo of your work.	Read your tricky words in your home Learning pack.  Reread the Three Little Pigs from yesterday. Discuss the character of the wolf. Is he kind? What does he look like? Draw a picture of the wolf in your exercise book. Write labels or captions to describe the wolf, such as, "Hairy, sharp teeth, mean, big"	Look at the Colour Mixing PowerPoint. If you have paints, have a go at mixing the colours together like on the slides of the PowerPoint. Find out what happens when colours are mixed together. If you don't have any paint, you could show the colours using your crayons. For example, colour a red blob, then a yellow blob then you could colour an orange blob, like on the PowerPoint to show the new colour when two colours are mixed together. Recap the story of Pentecost from yesterday. Find out what colours make orange and paint some orange flames!

Wed	Look at Curly Caterpillar Repeating Patterns PowerPoint. Have a go at making the repeating patterns on the caterpillar's body. Ask your adult to draw you a caterpillar like Curly in your exercise (or you could draw one yourself). Colour the body using two or three colours to make your own repeating pattern caterpillar.	Read the tricky words on the Train 9See PowerPoint link below). Cut up some pieces of paper, write the tricky words, one on each paper. Decorate the words and stick together to make your own tricky word train. Reread the words on your train.	Look at Describing a Minibeast PowerPoint. Ask your adult to help you to read the clues. Guess the minibeast. In your exercise book, draw your favourite minibeast. Say a description of your minibeast to your adult and see if you can guess it. For example, you could say, it is black with eight legs.

Thurs	Mental Maths: Count in two’s to 20. Repeat.  Look at 2D shape PowerPoint. Work through the slides and try to remember the names of the 2D shapes. Go on a 2D shape hunt. See if you can find at least ten 2D objects. Group your objects into square, circles, rectangles, triangles. Take a photo of your finished work.	Read a book of your choice for ten minutes.  Look at sorting Sounds PowerPoint. Match the picture to that sound. Choose one slide, write down all the objects that have that sound. Draw a picture to go with each object. Think of three more words that have your chosen sound. Write them in your exercise book.	Look at the Jigsaw PowerPoint. Ask your adult for an old birthday or Christmas card. Cut it into five to seven pieces and see you can piece it back together. Stick it in your exercise book. If you don’t have any old cards, you can draw and colour your own picture, then cut it up and piece it back together.

Fri	Mental Maths: Count in two’s to 20. Repeat.  Look at Fairground shape PowerPoint. Open the A4 version PDF. Look at the picture. How many circles, squares, hearts, stars etc. can you see? Record in your exercise book. For example, draw a circle, (or ask your adult to draw the shapes for you) then write the number of circles that you counted. Then draw a square, write the number of squares that you could see. Use your number line to help you to write your numbers.	Read a book of your choice for ten minutes.  Look at sorting Sounds PowerPoint. (Different sounds to yesterday) Match the picture to that sound. Choose one slide, write down all the objects that have that sound. Draw a picture to go with each object. Think of three more words that have your chosen sound. Write them in your exercise book.	Look at the list of Daily Kind Acts on the PowerPoint. Talk to your adult about how you can be kind on each day of the week. Draw a picture in your exercise book of you showing how to be kind.  Finish your afternoon with some relaxing yoga. See the link below for Betsy Banana’s yoga
