Dear Children,

Let's just think for a second about what you have had to do during Lockdown

(draw a big tick

by the ones you have done):

- 1. Not be in school and not see your friends
- 2. Not go out to your favourite restaurants and favourite places
- 3. Work from home without teachers and friends to help
- 4. Not see your favourite aunties/uncles/cousins/grandparents except on your phones and tablets and ipads and laptops
- 5. Not play out with your friends or invite them home
- 6. Help your Mums and Dads to understand the work that your teachers have set for you
- 7. Help your brothers and sisters more

If you have ALREADY done all of those things, then waiting a little longer is "easy

You have been such a good follower of Jesus, Through Lockdown by:

- Helping your Mums and Dads and brothers and sisters
- Praying for those people who have been sad because someone has been sick or has died
- Doing things differently, even when you did not want to
- Listening when your mums and dads have had to say no to some of your favourite clubs and restaurants and places to go
- Cheering everyone up by being so brave and happy and full of fun!

I promised you that we would be back at school soon and that we needed to help the planet get better. It may take a little more time, but what you have done is fantastic! Some of you may be a little bit worried about coming back... don't worry we will show you the new rules to keep you safe. Your teachers are already sorting that out right now. You can help us, because you are so good at following rules now!

Take care, stay safe and do as your Mum and Dads ask!!! Mrs O'Hara xx
