"Recognising and celebrating the presence of Christ in one another"

Friday 11th March 2022

Dear Parents,

On behalf of the Governors, I am pleased to offer **NAME** a place in the Nursery at St. Mary of the Angels School for September 2022. This place will comprise of 5 mornings, each one being 3 hours long. Term will commence on **Monday 12th September 2022 at 8:55am**, for all children.

The following opportunities are now available to you and your child: (subject to change due to CoVid restrictions):

- **Friday 17th June 2022 - An extensive Virtual Induction Meeting** for parents of Nursery children will be posted on the school website. The virtual meeting will support you in getting to know about our school and our routines. It will also have all relevant documentation for your information including a chance to sign up for your home visit as detailed on the website.
- **Wednesday 22nd June 2022 between 6-7pm-** Opportunity for parents only to take part in a site walk around with staff. This will be a chance to see the school and the Early Years setting, first hand.
- A chance for your **child to visit our Nursery setting** and enjoy the Nursery routine before starting school will take place on **Wednesday 13th July (you will be able to choose a slot to suit you and your child at the evening meeting on Wednesday 22 June)**.
- A **chance for you to apply for 30 hrs (full time) provision**, free of charge if you meet the Government prescribed criteria. (Please see information overleaf with regard to Full time provision). If this is a provision, you wish to take advantage of, the school must receive the 11-digit code provided by the Government before the end of the school year, otherwise the full time place will not be funded. We advise accessing the portal by 24th June 2022, and the code must be updated and valid past 1st September 2022 to ensure funding is received.

It is important to understand that a place in the Nursery does not guarantee a place in the following year's Reception Class. Places for Reception will be dealt with in the second half of the Autumn Term 2022, by the Local Authority.

I would be grateful if you could complete the proforma attached and return it to the school office as soon as possible and no later than Monday 28th March 2022. If we have not heard from you by then, we will assume you no longer require a place for your child at St Mary of the Angels.

Yours sincerely,

Mrs C O'Hara
Headteacher

Application notes for 30 hour Nursery Provision

The 30 hour Nursery provision means that your child could attend our Nursery all day. A hot dinner and a lunchtime break will be provided, before the afternoon session starts, at a cost of £2.00 per day.

We currently have **87% of our children taking advantage of full time provision** and they are really making good progress from their starting points.

If you do not qualify, but would still like to take advantage of the 30hrs provision, this is also a possibility.

Currently, we have parents who sign a contract and pay for the extra 15hrs provision each week at a cost of £12 per day (£60 per week). Again, this includes lunch.

Finally, if you are not interested in full time Nursery for your child, there is also an option here at St Mary of the Angels, for part time provision. We currently have 2 part time children who attend each morning, who also make progress from their starting point. In September 2022, part time children will start at 8.55am and leave at 11.55am.
