

St Mary of the Angels Catholic Primary School HOME/SCHOOL AGREEMENT

Education is very much a partnership between parents, their child/ren, the school and the parish. For this partnership to work effectively, it is vital that we all support each other in the work which has to be done. This agreement sets out the undertakings which we all need to make to ensure that your child gains the most from their primary education and for this reason is reviewed on an annual basis.

St. Mary of the Angels Catholic Primary School undertakes to:

- ◆ Provide opportunities to deepen spiritual awareness and help children to understand the value of prayer.
- ◆ Provide a high quality broad and balanced curriculum, which includes creative, cultural and outdoor experiences.
- ◆ Encourage children to do their best at all times.
- ◆ Regularly set and assess homework in line with the Homework Policy.
- ◆ Inform parents about their children's progress, informally, by holding a formal Parents' Meeting each year, sending a written report, sending targets and meeting with parents as required through appointments at mutually agreed times.
- ◆ Keep parents informed about school activities through half termly curriculum newsletters, weekly news letters and notices about special events.
- ◆ Let parents know about any concerns or problems that affect their child's work or behaviour.
- ◆ Provide opportunities for parents to become involved in the life of the school.
