Community

Key Facts

People live in different types of community, e.g. family, school, towns, villages and cities.

People have roles and responsibilities in those communities and there are consequences if these roles are not carried out.

People pray in a variety of ways in church.

The Church is a special place where God's family gather together to pray.

God calls individuals and communities to share life and show care for each other.

Paul was totally changed by an event. St Paul taught people about how to follow Jesus.
