What information does St Mary of the Angels Catholic Primary School hold?

St Mary of the Angels Catholic Primary School holds information relevant to the conduct of its functions which will include, but not be restricted to, personal information about pupils education record, applications you have made and any other action undertaken. However, some data may have been reviewed and destroyed where appropriate in accordance with our information retention policies.

How long will it take to get my data?

Once we are satisfied that you meet the criteria for disclosure of data under the Data Protection Act, and have provided sufficient information, you should receive a response within 1 month from the date that we accept your application for processing and for information containing, in whole or in part, a pupil's 'educational record', a response will be provided within 15 school days. Any requests made during school closures will not be actioned until school returns.

Records may be held in several different locations in paper and electronic formats. If you only require specific information and you clearly state what that is – for example a specific document or IT-only data – then you are likely to get a quicker disclosure.

The form includes a section for giving details if you need a disclosure by a certain date. No guarantee can be given that a disclosure will be completed by that date but we will endeavour to comply with reasonable requests for expedited action.

General Notes

1. We will not acknowledge your application in writing but we will provide you with a reference number when we write to you.
2. There is no fee for a Subject Access Request, however this may change depending on the complexity of each case.
3. When we process information requests for children aged 13 or over and spouses, we require their signature of authority before disclosing data.
4. The documents that you receive may have data redacted (blacked-out) or contain rough notes that may lack clarity. This is because we aim to supply copies of the original records whenever possible. However, as school records also include third party information that we cannot release to you under the Data Protection Act, e.g. another person's data, this is removed.
5. We will not disclose information by fax or telephone. Disclosure by post is usually made by first class post to the address you provide in section 2 or, if appropriate, to your representative named in section 6.
